Local educators will be leading hands-on fun at:

Fountain International Magnet School
June 18 - 22, 2018 from 9:00AM to 3:30PM

Camp Invention's NEW 2018 program, Fast Forward, features robots, smart homes, magnetic slime and more! Your young innovators will:

- **Explore** the technology behind self-driving cars and invent a vehicle of the future.
- **Design** futuristic dream homes with smart furniture and energy.
- **Build and personalize** a robotic dog and construct a one-of-a-kind dog park.
- **Launch** cupcake catapults, make dancing dinosaurs and wire circuits to bring their exciting ideas to life.

At the end of the week, each camper will take home two customized robots!
