- 4/21 Read-a-thon Kickoff &
First Grade Program
@ 6:30PM
- 4/29 Earth Day Sale

July

Fountain International Magnet School

PTO Sponsored Events

\$ Jean Day - Dollar Jean Day is held the first Friday of every month. For \$1 students are allowed to wear jeans and a spirit shirt or uniform polo shirt.

Box Top Collection - Twice a year (October and February) the PTO collects Box Tops. Awards are given to the class with the most box tops and neatest trimmed box tops. *We also collect the Campbell's Labels for Education at the same times.

Lions ROAR for Fitness - Held the first Saturday in October, Lions ROAR for Fitness is a 5K/2.5K Challenge and is the **PTO's primary fundraiser for the year**. Students collect pledges as well as recruiting friends and family to run in the race to promote a healthy lifestyle. There's also a contest for the design of the t-shirt. This event keeps us from having to sell cookie dough or wrapping paper, etc.

International Festival - Held on a November evening, the International Festival is a celebration of other countries. The school is transformed into what is an educational and fun carnival atmosphere. Each grade will present the culture and art of a new country each year.

Skate City Skate Nights - Going roller skating is another fun way to raise funds for our school. This year's dates are: Wednesday, October 28; Wednesday, December 16th; Tuesday, February 9th; Wednesday, March 16th; and Monday, May 16th.

Donuts with Dad - Held before school, this is a great chance for Dad to enjoy a donut with their FIMS student.

Earth Day Celebration - Hosted by the recycling committee, Earth Day is both a celebration and a fundraiser which pays for recycling at FIMS for the year. A plant and recycled art sale is held each year during lunch and after school. Parents are encouraged to donate plant seedlings/starts or art made from recycled items. It's also a great way to get some plants for your garden.

Muffins with Mom - Held before school this is a great chance for Mom to enjoy a muffin with their FIMS student.

Teacher Appreciation Week - A wonderful week where we get to show our hard working teachers and staff just how much we appreciate them.

Science Day - Science Day brings scientists and engineers from the community into the school to show students some of the many opportunities/career paths there are in the science and math fields.

\$ Jean Day in memory of Ms. Andrews - The \$ jean day in June is dedicated to the memory of Ms. Andrews. Students wear teal (The Ovarian Cancer awareness color) or red (Ms. Andrews favorite color). Money collected is donated to ovarian cancer research.

More information about each event will be shared as they get closer.
